

Seven C's of History Cards

Materials

- Seven C's of History Cards (following pages)
- Optional: timer

Instructions

Divide your class into teams of 2–4 students. Print and cut out one set of cards for each team. When you say, “Go!” have teams compete to see who can put the cards into the correct order first. Allow the winning team to read the cards out loud.

You may want to give one card to each of seven students. See how quickly they can work together to get in order. Allow students to read their cards. Time the students to make it more competitive. Repeat as time allows.
